Title: A Tribute to Eryn

Author: Nyssa and Friends

Eryn, I am very saddened  
to see you leave us. I  
hope one day you will  
return. I want to thank  
you for the outstanding  
job you have done in  
helping me and Lord  
Martel. You have always  
reported things honestly  
and in rich detail. You  
have gotten word out  
timely and faithfully. I  
owe you a debt I can  
never repay. Thank you  
and farewell. I will sorely  
miss you! - Nyssa  
Daria since I had the  
pleasure of meeting you  
as a young player to the  
shard I was more than  
happy to help point you  
in a direction for positive  
things. I tried my utmost  
to teach you of values in  
uo which you already  
possessed. It saddens me  
dearly that you are  
leaving this shard you  
helped nurture in the past  
year. You have grown so  
much since I first met  
you and I am proud to  
call you a friend and  
have the most utmost  
respect for you. Best  
wish to you and your  
family. ! Bels.  
Saddened to miss such a  
wonderful sounding pair I  
shall endeavour to follow  
her lead and seek out  
those who knew her.

She brought us all  
together, and was the  
favorite guest in our  
dungeons. We'll sorely

miss her.

Eryn,  
I'm so glad to have known  
you in your short time  
on this shard. You have  
motivated me to  
participate and even run  
events to help this shard  
grow closer together. I  
will strive my best to  
keep active and insure  
that the legacy you have  
left us doesn't die.  
Good luck in whatever  
you do next, you'll surely  
succeed.

Eryn, my sister, my  
friend, I will hold a  
special place in my heart  
for you! And Janos too!  
May you all be safe and  
well, and find happiness in  
all you do! Love, Rose  
Cotton & Hephaestus  
I didnt get a chance to

know you as Eryn, I  
remember Daria though.  
Selling ingots at 7-11 and  
yucking it up at auctions  
with us. You were so  
excited about the game  
and it was contagious!  
I leave for a few months  
and when I come back  
you're the shard reporter  
and an essential part of  
the LA community. You  
must really be a special  
person to have touched  
so many in such a short  
span of time. I wish I  
had gotten a chance to  
know better. Take care  
in that big world out  
there, and best of luck  
in all you do.
